-------------	--------------------------------	--	-----------------------

Purpose:

Establish a contract from the items listed for all state agencies. Contract prices are available to all local governmental agencies and schools.

Note that this contract is for Tenable Software Products and Services only. Catalog items such as servers, telephony equipment and other non-core products or endpoint devices are not available from this contract.

Default:

When a vendor defaults on a contract/purchase order, the State can procure the goods or services from other sources and hold the vendor responsible for any excess in price/handling. The vendor may be barred from bidding for an indeterminate period per the Code of Administrative Procedure.

Freight:

Bid is F.O.B. destination. Any freight charges must be included in the bid prices. Do not include freight as separate line item.

If expedited shipping is requested, those charges may be passed on to the end user. Any expedited rate charges must be substantiated with written documentation from the courier or USPS.

Contract period:

Establish a 12 month contract with an option to extend for a second, third, fourth, and fifth 12 month period with the same pricing, terms and conditions. The second, third, fourth, or fifth 12 month period, if agreed by both parties, would begin the day after the first, second, third, or fourth 12 month period expires. Any successive extension must have written approval of both the state and vendor no later than 30 days prior to expiration of the previous 12 month period.

Biddable Situation:

Bids may be solicited for any product included in this contract where an immediate/emergency need exists, including large quantities. The decision of the Purchasing Director as to what constitutes a biddable situation shall be final and shall not be construed as a breach of contract.

The State reserves the right to bid the financing of a project associated with a purchase made from this contract.

Quote Requirement:

All quotes to end users shall include the catalog price as well as the discounted price. An awarded vendor may offer volume discounts for large quantity purchases.

Administrative fee:

Awarded bidder(s) are to pay the State an administrative fee for all sales made under this contract. This fee will be One (1)% (0.01) of the total dollar amount for all sales. The fee is to be paid each month before the 20th and will represent a single, one-time payment for all sales made in the prior month and as adjusted for errors associated with earlier months. This fee is not to be listed as a separate cost on invoices. The awarded bidder(s) will be required to provide a summary report each month before the 20th listing sales made during the prior calendar month. This report is to include the report contract number, purchasing entity, sales amount, and fee amount. A report is due even when there is no activity. This report is to be sent electronically to telecom.admin@isd.alabama.gov. A copy of the summary report is to also accompany the payment. The remittance is to be identified with the reporting month and contract number.
