-------------	--------------------------------	---	-------------------------

STATEWIDE CONTRACT-TERMS AND CONDITIONS OF THE RFB FOR FOOD EQUIPMENT

Purpose:

Establish a contract from the items listed for all state agencies. Contract prices are available to all local governmental agencies and schools.

Award:

Award will be by individual item or groups of items (if indicated) to the lowest responsible bidder meeting all specifications.

Blank Lines:

To evaluate the bid in an efficient manner, the vendor should fill-in all blank lines applicable to a specific commodity description. The "Unit Price" prevails per line item. The responding vendor must mark or type their company bid price in the blank space provide on the price page.

Delivery time frame:

All items ordered must be delivered to the "ship to" address shown on the P.O. within thirty (30) days of vendor's receipt of order, unless agreed in writing between the agency and the awarded vendor. Drop Shipments are acceptable. Agency will install all equipment purchased off the contract.

Delivery:

Items are to be delivered to various locations throughout the 67 counties in Alabama. The exact locations and quantities will be provided by the ordering agency. Drop shipments are acceptable.

Freight:

Bid is F.O.B. destination. Any freight charges must be included in the bid prices.

F.O.B. Destination:

F.O.B. destination is the location where merchandise is delivered and unloaded on a receiving dock, if available, to the agency shipping location and the change of title takes place. The vendor is liable for freight charges, risk of loss or damage to the merchandise up to the destination.

Descriptive literature:

The brands and model numbers referenced provide a level of quality, and unless otherwise specified, are not restrictive. Vendors bidding alternate items must provide complete descriptive/technical literature for consideration and evaluation with their bid, and with the bid copy per item number 6 on page 2. Reference to literature with a previous bid will not satisfy this requirement. Failure to provide the required literature will result in the rejection of the bid. Physical inspection and operational evaluation may also be required without cost or obligation to the State of Alabama.

Materials, Supplies or Equipment:

All materials, supplies or equipment being bid and delivered to the State shall be new, unused, of recent manufacture, first class in every respect, and suitable for their intended purpose.

Contract period:

Establish a 12 month contract with an option to extend for a second, third, fourth, and fifth 12 month period with the same pricing, terms and conditions. The second, third, fourth, or fifth 12 month period, if agreed by both parties, would begin the day after the first, second; third, or fourth 12 month period expires. Any successive extension must have written approval of both the state and vendor no later than 30 days prior to expiration of the previous 12 month period.

Required Documents:

One copy of the manufacturer's warranty and maintenance/operations manual for each item is required if requested by the agency.

Warranty Information:

Equipment shall be warranted for a minimum of twelve (12) months. Warranty shall cover all parts, labor & freight cost associated with repairs and/or replacement of defective equipment. Accidents, misuse and negligence are not covered by this warranty. The warranty shall commence on the date the equipment is put into service by the using agency. Vendor will use whatever means required to facilitate this warranty, and will insure total satisfactory performance to the using agency.

Non-appropriation of funds:

Continuation of any agreement between the State and a bidder beyond a fiscal year is contingent upon continued legislative appropriation of funds for the purpose of this bid and any resulting agreement. Non-availability of funds at any time shall cause any agreement to become void and unenforceable and no liquidated damages shall accrue to the state as a result. The State will not incur liability beyond the payment of accrued agreement payment.

Proration:

Any provision of a contract resulting from this bid to the contrary notwithstanding, in the event of failure of the State to make payment hereunder as a result of partial unavailability, at the time such payment is due, of such sufficient revenues of the State to make such payment (proration of appropriated funds for the State having been declared by the governor pursuant to Section 41-4-90 of the Code of Alabama 1975), the contractor shall have the option, in addition to the other remedies of the contract, of renegotiating the contract (extending or changing payment terms or amounts) or terminating the contract.

Administrative fee:

Awarded bidder(s) are to pay the State an administrative fee for all sales made under this contract. This fee will be 1% (.01) of the total dollar amount for all sales. The fee is to be paid each month before the 20th and will represent a single, one-time payment for all sales made in the prior month and as adjusted for errors associated with earlier months. This fee is not to be listed as a separate cost on invoices. The awarded bidder(s) will be required to provide a summary report each month before the 20th listing sales made during the prior calendar month. This report is to include the report contract number, purchasing entity, sales amount, and fee amount. A report is due even when there is no activity. This report is to be sent electronically to telecom.admin@isd.alabama.gov. A copy of the summary report is to also accompany the payment. The remittance is to be identified with the reporting month and contract number.

Remittance is to be payable to the "State of Alabama Department of Finance" and be sent to:

Alabama Department of Finance
Division of Accounting and Administration
PO Box 300658
Montgomery, Alabama 36130-0658

For internal information only: fee distribution _____% to the State Procurement fund and _____% to the Finance ISD Revolving fund.
